## Conversation Starters

Why do you think it's good to talk about smoking, drinking or drug use?

## Conversation Starters

Have you heard kids talking about smoking or vaping? What are they saying about it?

## Conversation Starters

What have you seen in shows or movies about people trying drugs or alcohol?

## Conversation Starters

When you think about people using substances, how does it make you feel?

## Conversation Starters

How can you tell if a medicine, drug or drink is safe for you to try?

## Conversation Starters

Who is another adult you would feel comfortable talking to about smoking, drinking or drugs?

## Conversation Starters

Why do you think people use alcohol and other substances?

## Conversation Starters

What would you say to someone who offered you something to smoke or drink?
